Health, Safety and Environmental Mission Statement

Chapman Building

The management team of Chapman Building are committed to the promotion and maintenance of health, safety and environmental protection for all stakeholders who may be directly or indirectly exposed to our companies' risks.

We shall strive for excellence in the protection of our clients by developing appropriate risk and quality control measures which will aid in the elimination and mitigation of such risks.

Management shall commit to this process by means of providing reasonable resources, facilities, training and education of staff, and promoting a culture that is conducive to health, safety and environmental excellence.

The company shall foster this safety culture in order to promote legal compliance, staff satisfaction and obtain a competitive advantage in our business.

Yours safely,
